ELECTION DAY

SUPPORTER:
2020 CONTRIBUTION STATUS: CONFIRMED/MISSING

%%FirstName%%,

Today is Election Day and the stakes have NEVER been higher.

In 2016, voters elected President Trump because they DIDN'T want the President of the United States to send billions to Iran, weaken our military, undermine Israel, and refuse to say "radical Islamic terrorism."

Joe Biden is a career politician who does all of those things. He is a BIG reason why we WON in 2016, and he is the EXACT reason why we'll WIN AGAIN TODAY.

We need to WIN this Election to save our Country from a terrible backslide into Democrats' America-LAST policies. With ONLY HOURS left until the polls close, I wanted to reach out one last time to ask you to support President Trump.

When you step up TODAY, you'll go down in history as a 2020 Election Day Donor AND you can increase your impact by 1000%.

President Trump has always fought for us, and now it's our turn to fight for him.

Please contribute $[amt] RIGHT NOW to increase your impact by 1000% and to become an 2020 Election Day Donor. >> [link]
