I understand that the frequency with which some individuals under investigation by our office have been purchasing firearms from your business has caused concerns for you. I totally understand and am not in a position to tell you how to run your business. However, if it helps put you at ease we (ATF) are continually monitoring these suspects using a variety of investigative techniques which I cannot go into detail. We are working in conjunction with the United States Attorney's Office (Federal Prosecutors) to secure the most comprehensive case involving the different facets of this organization. If it puts you at ease I can schedule a meeting with the Attorney handling the case and myself to further discuss this issue. Just know that we cannot instruct you on how to run your business but your continued cooperation with our office has greatly aided the investigation thus far.

Thanks again and please let me know how I can be of service to you.

Respectfully,

David,

Let me start by saying thank you for the email and as always we will do what we can to continue to work with you and the ATF on Project Gun Runner. Our goal is to develop a system to get you (ATF) what you need in the most efficient manner possible. For us, we were hoping to put together something like a letter of understanding to alleviate concerns of some type of recourse against us down the road for selling these items. We just want to make sure we are cooperating with ATF and that we are not viewed as selling to bad guys. If you and the case Attorney are free to meet some time this week or next, that would be great. I am out of town Friday of this week and have meetings Thursday afternoon but am open other than that and I am open next week. Please let me know what would work best for you.

Thank you again and I look forward to meeting.

Respectfully,

We at ATF consider the [Redacted] to be our ally in Project Gunrunner SWB Initiative and appreciate your cooperation with us in regards to this (and all) law enforcement matters. I have inquired from the Assistant United States Attorney (AUSA) handling this case as to his availability to meet with you next week. He is checking his schedule and I expect to hear from him soon.

Thanks again and please contact me any time with questions or concerns,

David,

I hope this email finds you well.

As per our discussion about over communicating I wanted to share some concerns that came up. Tuesday night I watched a segment of a Fox News report about firearms and the border. The segment, if the information was correct, is disturbing to me. When you, Emory and I met on May 13th I shared my concerns with you guys that I wanted to make sure that none of the firearms that were sold per our conversation with you and various ATF agents could or would ever end up south of the border or in the hands of the bad guys. I guess I am looking for a bit of reassurance that the guns are not getting south or in the wrong hands. I know it is an ongoing investigation so there is limited information you can share with me. But as I said in our meeting, I want to help ATF with its investigation but not at the risk of agents safety because I have some very close friends that are US Border Patrol agents in southern AZ as well as my concern for all the agents safety that protect our country. If possible please email me back and share with me any reassurances that you can.

As always thank you for your time and I send this email with all respect and a hart felt concern to do the right thing.

Respectfully,
