IOWA DEPARTMENT OF JUSTICE
OFFICE OF THE ATTORNEY GENERAL

September 9, 2016

The Honorable Charles Grassley
United States Senator
U.S. Senate Committee
On the Judiciary

Via Electronic Transmission

Dear Senator Grassley:

Thank you for your September 6th letter regarding the pricing of Mylan N.V.'s EpiPen Auto-Injector.

I share the concerns raised by you and residents of our state about what is nothing short of an extraordinary price increase for a medication that, for many, is crucial to saving their lives from severe, if not potentially deadly, allergic reactions. Notably, Iowans have few options in seeking alternative treatment options for such emergencies.

Ten days ago, I directed my staff to review Mylan's EpiPen pricing, and any legal theories that could potentially address its conduct. I will keep you informed, particularly regarding the Medicaid reimbursement issue.

Sincerely,

Tom Miller
Attorney General of Iowa
