As you'll recall from Jim's briefing, ATF let a bunch of guns walk in effort to get upstream conspirators but only got straws, and didn't recover many guns. Some were recovered in MX after being used in crimes. Billy, Jim, Laura, Alisa and I all think the best way to announce the case without highlighting the negative part of the story and risking embarrassing ATF is as part of Deliverance.

Jim T and I met with Billy Hoover and with Laura and Alisa to talk about this gun trafficking case with the issues about the guns being allowed to walk for investigative purposes. Can fill you in tomorrow in more detail but we all think the best move is to indict both Wide Receiver I and Wide Receiver II under seal and then unseal as part of Project Deliverance, where focus will be on aggregate seizures and not on particulars of any one indictment.
