

**Cooney, Joseph (USADC) 12:13 PM:**

losing track of time that badly?!

**Gaston, Molly (USADC) 12:13 PM:**

yes.

**Cooney, Joseph (USADC) 12:13 PM:**

ha ha!

seriously, don't sweat it

it's fine

**Gaston, Molly (USADC) 12:13 PM:**

i know, but it's a pain for you to have to reconstruct and i'll do better.

**Cooney, Joseph (USADC) 12:13 PM:**

i know your stuff fairly well

no it's fine

i had already written it before i texted you!

i'd rather you write the warrant

i'm sorry to jack up another sunday!

**Gaston, Molly (USADC) 12:14 PM:**

nope, all good!

i'm happy to have something substantive to do. i know reporting up and planning and meetings are part of the job, but i look forward to when there's more real work to team b.

**Cooney, Joseph (USADC) 12:15 PM:**

yes

i'm actually terribly underwhelmed by the Team B report right now

which is not a reflection on you

it's a reflection of a dysfunctional investigative infrastructure

the truth is that all we have are a bunch of disconnected pieces to report

having this SW and getting back process results will help

**Gaston, Molly (USADC) 12:16 PM:**

yep. it's all random stuff generated by the guardian leads because we're a month behind more than a month, actually, but who's counting?

**Cooney, Joseph (USADC) 12:17 PM:**

i know -- more than a month -- way, way behind

**Cooney, Joseph (USADC) 12:38 PM:**

i love that you got that email and you've been working on the sw since before 8 this morning

**Gaston, Molly (USADC) 12:39 PM:**

yes--but my plan is to write back and say that i believe Team A plans to work on a warrant for Stone's phone to get OK communciations

not hiding the ball, just making clear it's arising out of team a so there's no way to get slowed

**Cooney, Joseph (USADC) 12:40 PM:**

that is perfect

see my email

**Gaston, Molly (USADC) 12:40 PM:**

ha. yes.

**Gaston, Molly (USADC) 12:56 PM:**

i just noticed for the first time the nuns near the oathkeepers in one of the NYT photographs.

**Cooney, Joseph (USADC) 12:56 PM:**

i know!

**Gaston, Molly (USADC) 12:56 PM:**

i would like to take a special assignment of finding and prosecuting them.

**Cooney, Joseph (USADC) 12:56 PM:**

i'm with you

although i'd like to prosecute any nun who still wears the head habit

**Gaston, Molly (USADC) 12:56 PM:**

hahaha

**Cooney, Joseph (USADC) 12:57 PM:**

there was also a catholic priest there  
he came to perform exorcisms  
he has been suspended by his diocese  
it's somewhere in the midwest i think

**Gaston, Molly (USADC) 12:58 PM:**

biden's been going to holy trinity, which means there have been tons and tons of angry calls from all over the country of people asking why he wasn't denied communion.  
people are insane.

**Cooney, Joseph (USADC) 12:58 PM:**

<https://thehill.com/blogs/blog-briefing-room/news/535254-ohio-orthodox-priest-suspended-faces-defrocking-after-attending>

it's ridiculous  
have you been going to in person Mass?

**Gaston, Molly (USADC) 12:59 PM:**

no. last in person mass i went to was [REDACTED] outdoor communion  
and, sad to say, we're really bad about video mass.

**Cooney, Joseph (USADC) 12:59 PM:**

video mass is really hard

**Gaston, Molly (USADC) 12:59 PM:**

[REDACTED] [REDACTED] just don't take it seriously so it feels sacrilegious.

**Cooney, Joseph (USADC) 12:59 PM:**

maureen did it for the first several months, but it has trailed off  
i'm not good about mass in the first place  
but [REDACTED] have been going to daily mass since the summer  
thankfully without a problem

**Gaston, Molly (USADC) 1:00 PM:**

wow. [REDACTED]

**Cooney, Joseph (USADC) 1:00 PM:**

and they really shouldn't be doing that  
[REDACTED]  
it may actually be three days a week come to think of it

**Gaston, Molly (USADC) 1:01 PM:**

wow.  
good for them, except not.

**Cooney, Joseph (USADC) 1:01 PM:**

but [REDACTED] calls most mornings [REDACTED] thinking that maureen will be stopping by afterwards

**Gaston, Molly (USADC) 1:01 PM:**

that's very hard.

**Cooney, Joseph (USADC) 1:01 PM:**

right

**Gaston, Molly (USADC) 1:01 PM:**

i can't believe lent starts next week.

**Cooney, Joseph (USADC) 1:01 PM:**

[REDACTED] [REDACTED] proposed giving up quarantine

**Gaston, Molly (USADC) 1:02 PM:**

and worry that for faithful people like [REDACTED], it'll be bad because more people will be at mass  
ha!  
i like it.

**Cooney, Joseph (USADC) 1:02 PM:**

yeah  
i mean, the reason that mass has worked for [REDACTED] and [REDACTED] is that only a small group are going  
most senior citizens  
mostly  
it needs to stay that way

**Gaston, Molly (USADC) 1:03 PM:**

yes. i hope it does.
