The Honorable Christopher A. Wray  
Director  
Federal Bureau of Investigation

Dear Director Wray:

A recent press report detailed an October 2018 incident where a firearm owned by Hunter Biden was discarded in a “trash can behind a grocery store” across from a high school.<sup>1</sup>

After the firearm was discarded, the U.S. Secret Service (USSS) allegedly became involved and sought paperwork from the Federal Firearm Licensee (FFL) connected to Hunter Biden’s purchase of the firearm.<sup>2</sup> The owner of the gun store reportedly “refused to supply the paperwork” to the USSS agents due to suspicion that “the Secret Service officers wanted to hide Hunter’s ownership of the missing gun in case it were to be involved in a crime.”<sup>3</sup> The gun store owner reportedly provided the paperwork to the Bureau of Alcohol, Tobacco, Firearms, and Explosives.<sup>4</sup> According to the report, neither Joe Biden nor Hunter Biden was a Secret Service protectee at that time.<sup>5</sup> However, according to this report, a “law enforcement official” claimed that Secret Service agents in Delaware “kept an informal hand in maintaining the former vice president’s security.”<sup>6</sup>

In addition, at the time of the October 2018 incident, the FBI reportedly “responded to the scene”; however, it is unclear what actions, if any, the FBI took.<sup>7</sup>

In light of the recent press report, please provide all records relating to your agency’s involvement in the alleged October 2018 incident with respect to Hunter Biden’s firearm no later than April 8, 2021.
