

HOW CONGRESS VOTED®

112[™] CONGRESS

INTERIM REPORT

JANUARY 3, 2011 TO DECEMBER 20, 2011

HOW DID THEY TREAT SMALL BUSINESS?

In keeping with our promise to monitor key small business votes your lawmakers cast, NFIB presents this special interim report of the 112th Congress. Following a year of elections, this report cuts through the rhetoric of campaigns and looks at the hard facts: how your U.S. senators and representatives voted on small business issues during the 112th Congress.

Lawmakers who voted with small business on key issues 70 percent or more of the time during the 111th Congress earned NFIB's Guardian of Small Business Award. Just as important, this report highlights lawmakers who not only didn't earn a Guardian Award, but who actually voted against small business issues a majority of the time.

This special NFIB member report should come as no surprise to lawmakers. NFIB asks lawmakers to support the consensus views of our members. We also remind them that their votes are being monitored and will be reported back to NFIB members.

YOU NEED AN ORGANIZATION LIKE **NFIB** LOOKING OUT FOR YOU.

NFIB makes it easy for you to continue monitoring them at www.NFIB.com to see how they treat small business in the coming months.

What the Charts in How Congress Voted® Show

The row of Y and N symbols beside each lawmaker's name indicates whether they voted yes or no on key votes in the first session of the 112th Congress. If the Y or N symbol is in green, your lawmaker supported the NFIB position.

If the Y or N symbol is in red, your lawmaker opposed the NFIB position.

Voting percentages of lawmakers who also served in the 111th Congress are in the blue column.

KEY HOUSE VOTES: The following are descriptions of the 11 bills designated as **NFIB Key Votes** that were used to compile your lawmaker's NFIB Interim Voting Record for the 112th Congress. Each description includes NFIB's position on the issue, as well as the NFIB Member Ballot and other polling results that determined that position.

1. REPEALING THE HEALTHCARE LAW (H.R. 2)

NFIB supported H.R. 2, sponsored by Rep. Eric Cantor (VA-7). The bill would repeal the Patient Protection and Affordable Care Act of 2010 that mandates most individuals and many businesses to provide or buy health insurance by 2014, limits the use of HSAs, FSAs and HRAs, and adds new taxes on small business owners. The bill passed 245–189.

WHAT MEMBERS SAID:

In a 2010 Member Ballot (Vol. 559), 93 percent of NFIB members agreed that Congress should repeal the law.

2. SMALL BUSINESS PAPER-WORK MANDATE ELIMI-NATION ACT (H.R. 4)

NFIB supported H.R. 4, sponsored by Rep. Dan Lungren (CA-3). The bill would repeal the expensive and burdensome tax paperwork requirement that was included in PPACA that required all businesses that pay another individual or business \$600 or more for goods or services to submit a Form 1099 to the Internal Revenue Service each year. Pre-PPACA Form 1099 reporting requirements are still law. The bill passed 314–112.

WHAT MEMBERS SAID:

A 2003 NFIB Small Business Poll estimated that small business owners spend more than \$74 per hour on their tax compliance obligations, representing the most expensive paperwork burden that the federal government imposes on small business owners.

3. ENERGY TAX PREVENTION ACT (H.R. 910)

NFIB supported H.R. 910, sponsored by Rep. Fred Upton (MI-6). The bill would prohibit the Environmental Protection Agency from regulating stationary sources of greenhouse gases under the Clean Air Act. The bill passed 255–172.

WHAT MEMBERS SAID:

In a 2010 Member Ballot (Vol. 558), 76 percent of NFIB members opposed the federal government requiring businesses to cap their greenhouse gas emissions.

4. PUTTING THE GULF BACK TO WORK ACT (H.R. 1229)

NFIB supported H.R. 1229, sponsored by Rep. Doc Hastings (WA-4). The bill would modify the permitting process for offshore drilling in the Gulf of Mexico. Offshore drilling is a critical step toward increasing domestic production and reducing gas prices. The bill passed 263–163.

WHAT MEMBERS SAID:

According to NFIB's 2008 Small Business Problems and Priorities, NFIB members ranked the cost of natural gas, propane, gasoline, diesel and fuel oil as their second greatest concern, with 42 percent of NFIB members surveyed ranking the problem as "critical." Additionally, NFIB's 2006 Energy Consumption Poll concluded that energy costs are one of the top three business expenses in 35 percent of small businesses.

5. PROJECT LABOR AGREE-MENTS AMENDMENT (H.AMDT. 411)

NFIB opposed H.Amdt. 411, sponsored by Rep. Steven LaTourette (OH-14). The amendment would ensure that the federal government continues to use project labor agreements, which require the use of union labor on taxpayer-funded projects. The amendment passed 204–203.

WHAT MEMBERS SAID:

In a 2004 Member Ballot (Vol. 544), 80 percent of NFIB members opposed PLAs being required on all federally funded construction projects. In 2011, NFIB members testified before Congress about the negative impact PLAs have had on job creation and economic growth.

6. PROTECTING JOBS FROM GOVERNMENT INTERFERENCE ACT (H.R. 2587)

NFIB supported H.R. 2587, sponsored by Rep. Tim Scott (SC-1). The bill would prohibit agencies, such as the National Labor Relations Board, from preventing a private company from expanding or transferring workers and/or facilities to a right-to-work state. The bill passed 238–186.

WHAT MEMBERS SAID:

According to NFIB's 2008 Small Business Problems and Priorities, NFIB members cited unreasonable government regulations as their sixth greatest concern.

7. BALANCED BUDGET AMENDMENT (H.J.RES. 2)

NFIB supported H.J.Res. 2, sponsored by Rep. Bob Goodlatte (VA-6). The amendment would have amended the U.S. Constitution to require the federal government to balance its budget each year. The amendment failed 261–165. (A two-thirds majority of those present and voting, 284 in this case, is required for passage under suspension of the rules and to pass a joint resolution proposing an amendment to the U.S. Constitution.)

WHAT MEMBERS SAID:

According to a 2011 Member Ballot (Vol. 560), 90 percent of NFIB members supported a balanced budget amendment to the U.S. Constitution.

8. WORKFORCE DEMOC-RACY AND FAIRNESS ACT (H.R. 3094)

NFIB supported H.R. 3094, sponsored by Rep. John Kline (MN-2). The bill was a response to the NLRB's newly proposed "ambush election" rule that would significantly undermine an employer's opportunity to learn of and respond to union organization by reducing the time from filing the petition to the election date. The bill passed 235–188.

WHAT MEMBERS SAID:

In a 2010 Member Ballot (Vol. 558), 91 percent of NFIB members opposed Congress limiting the ability of employers to communicate with their employees during union campaigns and elections.

9. REGULATORY FLEXIBILITY IMPROVEMENTS ACT (H.R. 527)

NFIB supported H.R. 527, sponsored by Rep. Lamar Smith (TX-21). The bill would strengthen the regulatory process by requiring agencies to thoroughly analyze the economic impact their rules and regulations have on small businesses. Also, the bill would require agencies to convene small business review panels before important rules are finalized. The bill passed 263–159.

WHAT MEMBERS SAID:

In a 2000 Member Ballot (Vol. 534), 85 percent of NFIB members supported requiring regulatory agencies to consider the indirect cost and impact of regulations on small businesses.

10. REGULATORY ACCOUNT-ABILITY ACT (H.R. 3010)

NFIB supported H.R. 3010, sponsored by Rep. Lamar Smith (TX-21). The bill would modernize the 65-year-old Administrative Procedure Act and improve how federal agencies write the regulations that most significantly affect the U.S. economy. The bill passed 253–167.

WHAT MEMBERS SAID:

According to NFIB's February 2011 Small Business Economic Trends report, "government regulations and red tape" was the second most important problem faced by small business owners.

11.FARM DUST REGULATION PREVENTION ACT (H.R. 1633)

NFIB supported H.R. 1633, sponsored by Rep. Kristi Noem (SD-At Large). The bill would prevent the Environmental Protection Agency from imposing stifling regulations on farm dust and other naturally occurring organic materials in rural areas. The bill passed 268–150.

WHAT MEMBERS SAID:

According to NFIB's 2008 Small Business Problems and Priorities, NFIB members cited unreasonable government regulations as their sixth greatest concern.

14 112TH CONGRESS

KEY SENATE VOTES: The following are descriptions of the 9 bills designated as **NFIB Key Votes** that were used to compile your lawmaker's NFIB Interim Voting Record for the 112th Congress. Each description includes NFIB's position on the issue, as well as the NFIB Member Ballot and other polling results that determined that position.

1. 1099 REPORTING REPEAL AMENDMENT (S.AMDT. 9)

NFIB supported S.Amdt. 9, sponsored by Sen. Debbie Stabenow (Mich.). The amendment would repeal the expansion of the Internal Revenue Service Form 1099 reporting requirement that was included in the Patient Protection and Affordable Care Act of 2010. Form 1099 would have required all businesses that pay another individual or business \$600 or more for goods or services to submit a Form 1099 to the IRS each year. The amendment passed 81–17.

WHAT MEMBERS SAID:

A 2003 NFIB Small Business Poll estimated that small business owners spend more than \$74 per hour on their tax compliance obligations, representing the most expensive paperwork burden that the federal government imposes on small business owners.

2. REPEALING THE HEALTH-CARE LAW (S.AMDT. 13)

NFIB supported S.Amdt. 13, sponsored by Sen. Mitch McConnell (Ky.). The amendment would have repealed the Patient Protection and

Affordable Care Act that mandates most individuals and many businesses to provide or buy health insurance by 2014, limits the use of HSAs, FSAs and HRAs, and adds new taxes on small business owners. The amendment failed 47–51.

WHAT MEMBERS SAID:

In a 2010 Member Ballot (Vol. 559), 93 percent of NFIB members agreed that Congress should repeal the law.

DAVIS-BACON RESTRIC-TIONS AMENDMENT (S.AMDT. 19)

NFIB opposed the motion to kill S.Amdt. 19, sponsored by Sen. Rand Paul (Ky.). The amendment would have restricted the use of funds for projects subject to prevailing wage rates under the Davis-Bacon Act. The amendment failed 55–42. (60 votes were needed.)

WHAT MEMBERS SAID:

In a 1993 Member Ballot (Vol. 503), 81 percent of NFIB members supported the repeal of the Davis-Bacon Act.

4. SBIR/STTR REAUTHORIZATION ACT (S. 493)

NFIB supported S. 493, sponsored by Sen. Mary Landrieu (La.). The bill would reauthorize and improve the Small Business Innovation Research (or, SBIR for short) and Small Business Technology Transfer programs of the Small Business Administration for eight years, providing small business owners the opportunity to expand their businesses and create new jobs. The bill passed 84–12.

WHAT MEMBERS SAID:

In 2011, NFIB's Small Business Economic Trends monthly reports consistently showed small business owners were struggling to hire and invest in new capital spending. A long-term extension of the SBIR program provides certainty to small business owners to obtain federal research dollars and will give them the stability they need to plan for the future.

5. SMALL BUSINESS PAPERWORK MANDATE ELIMINATION ACT (H.R. 4)

NFIB supported H.R. 4, sponsored by Sen. Mike Johanns (Neb.). The bill would repeal the expensive and burdensome tax paperwork requirement that was included in PPACA that required all businesses that pay another individual or business \$600 or more for goods or services to submit a Form 1099 to the Internal Revenue Service each year. Pre-PPACA Form 1099 reporting requirements are still law. The bill passed 87–12.

WHAT MEMBERS SAID:

A 2003 NFIB Small Business Poll estimated that small business owners spend more than \$74 per hour on their tax compliance obligations, representing the most expensive paperwork burden that the federal government imposes on small business owners.

6. REGULATORY REFORM AMENDMENT (S.AMDT. 390)

NFIB supported S.Amdt. 390, sponsored by Sen. Olympia Snowe (Maine). The amendment would have reformed the regulatory process and created stronger protections for small businesses in the federal regulatory process. Also, it would have expanded the scope of the Regulatory Flexibility Act by requiring federal regulators to include an analysis of the indirect impact of federal regulations on the small business sector. The amendment failed 53–46.*

WHAT MEMBERS SAID:

In a 2000 Member Ballot (Vol. 534), 85 percent of NFIB members supported requiring regulatory agencies to consider the indirect cost and impact of regulations on small businesses.

7. DUPLICATIVE GOVERN-MENT PROGRAMS AMENDMENT (H.J.RES. 66)

NFIB supported H.J.Res. 66, sponsored by Sen. Tom Coburn (Okla.). The amendment would have eliminated and consolidated duplicative programs in the federal government. The amendment failed 54–45.*

WHAT MEMBERS SAID:

According to a 2011 Member Ballot (Vol. 560), 90 percent of NFIB members supported a balanced budget amendment to the U.S. Constitution.

8. CONTRACTOR WITHHOLDING REPEAL (H.R. 674)

NFIB supported H.R. 674, sponsored by Sen. Scott Brown (Mass.). The bill would repeal the 3 percent withholding requirement that mandates federal, state and local governments to withhold 3 percent on certain payments made to vendors. This requirement would have put an administrative burden on all parties involved and a strain on the daily operating cash flow of the businesses entering into these contracts. The bill passed 95–0.

WHAT MEMBERS SAID:

A 2001 NFIB Small Business Poll found that cash flow is a "continuing" problem for one in five small business owners, with an additional one in two suffering from cash flow troubles

9. BALANCED BUDGET AMENDMENT (S.J.RES. 10)

NFIB supported S.J.Res. 10, sponsored by Sen. Orrin Hatch (Utah). The amendment would have amended the U.S. Constitution to require the federal government to balance its budget each year. The amendment failed 47–53. (A two-thirds majority of those present and voting, 67 in this case, is required to pass a joint resolution proposing an amendment to the U.S. Constitution.)

WHAT MEMBERS SAID:

According to a 2011 Member Ballot (Vol. 560), 90 percent of NFIB members supported a balanced budget amendment to the U.S. Constitution.

^{*60} votes needed to approve the amendment
