

U.S. Department of Justice

Federal Bureau of Investigation

Washington, D.C. 20535-0001

October 15, 2020

The Honorable Ron Johnson
Chairman
Committee on Homeland Security and
Governmental Affairs
United States Senate
Washington, D.C. 20510

Dear Chairman Johnson:

This further responds to your letter, dated October 12, 2020, requesting the production of additional text messages related to the Crossfire Hurricane investigation. This supplements our letters and productions, dated October 9 and October 14, 2020, of text messages from former Federal Bureau of Investigation (FBI) Deputy Director Andrew McCabe.

The Attorney General has determined it is now appropriate to provide additional text and Lync messages, which are responsive to the Committee's expressed investigative inquiries and enclosed with this letter, Bates-stamped: Senate HSGAC_TransitionReq FBI004021-FBI004033. Specifically, the enclosed messages come from eight (8) Senior Executive Service (SES) custodians identified and prioritized by Committee staff, and for whom the FBI had an existing collection of text and Lync messages. As previously explained to Committee staff, this existing collection of messages was for the period from June 1, 2016, through May 25, 2018, and was collected with the use of several dozen search terms. The FBI is expediting its ongoing review of collected messages for the 9th SES custodian identified and prioritized by Committee staff. We anticipate producing responsive messages during the week of October 19th.

In order for the Committee to more easily identify each custodian in this production, we are providing the following identifying information. Lync messages: Trisha Anderson, FBI004021-23; James Baker, FBI004023; Carl Ghattas, FBI004024; Stephen Laycock, FBI004025-26; Andrew McCabe FBI004027; and, E.W. Priestap FBI00428. Text messages: James Comey, FBI004029; Stephen Laycock, FBI004030-31; E.W. Priestap, FBI004032; and, Michael Steinbach, FBI004033.

Consistent with the October 9th and 14th productions, in identifying these additional text and Lync messages the FBI and the Department of Justice, acting in good faith and out of an abundance of caution to avoid excluding relevant messages, opted to include certain text messages that could be related to the Crossfire Hurricane or Midyear Investigations, but we could not conclusively determine whether they were related. Accordingly, the mere inclusion of these messages should not be understood to indicate that the messages were related to one of those investigations. Limited redactions have been made to, among other things, protect personally identifiable information, law enforcement sensitive information, and the identity of non-Senior Executive Service personnel. The FBI is willing to engage in discussions regarding specific redactions about which there may be questions.

The Honorable Ron Johnson
Page Two

The FBI believes that this completes its production of the prioritized text messages and Lync messages from the classified-Secret enclave, with the exception of the ongoing expedited review of the 9th SES custodian. As part of our continuing dialogue with the Committee, and to appropriately accommodate the Committee's requests consistent with our law enforcement and national security obligations, the FBI will provide an update on our review of the Lync messages from the classified-Top Secret enclave during the week of October 19th.

Thank you for your support of the FBI, its mission, and its people.

Sincerely,

Jill C. Tyson
Assistant Director
Office of Congressional Affairs

2016-09-28 21:36:17	strzol	anderson	I spoke with [REDACTED] and think explained generally how we're approaching the broad election issue, and I hope corrected any misperception. I think she (don't know to what extent Tash is) is looking for more regular info. Some of that desire I get given Andy is updating the DAG every M/W/F. I offered that we're meeting with NSD once a week to discuss the election/influence activities (we're expanding the Crossfire discussion to include Cyber as I understand [REDACTED] and [REDACTED] were caught unaware by the Yahoo! publicity).
2016-10-06 19:47:08	anderson	[REDACTED]	Can you please send me the Crossfire Dragon FISA on SCION?
2016-11-28 20:17:20	anderson	[REDACTED]	Jim was aware of her involvement in the London trip; it's at the direct request of the DD.
2016-12-16 21:25:03	[REDACTED]	anderson	I have a copy of the [REDACTED] reporting for you (from Moffa). I gave Jim a copy on Tuesday so he already has it.
2017-03-22 13:41:04	[REDACTED]	anderson@ [REDACTED]	I was going to go over with Bill and Pete for the weekly Crossfire update for the A/DAG. (Today at 10). I assume that's the right level of OGC engagement in your absence, but let me know if you want me to include someone else.

2017-10-20 19:52:52	[REDACTED]	anderson@ [REDACTED]	We're reviewing all four of them over here for potential redactions; also I provided [REDACTED] payment history. I'll let you know what their proposed response is as I hear it.

2017-10-23 19:46:22	anderson	[REDACTED]	Also, are you going to be ready to talk through the FISA use question with Andy and Bill at 10:30 tomorrow? We were able to get on their calendars quickly.

2017-10-26 21:51:16	[REDACTED]	anderson@ [REDACTED]	Also, the FISA use meeting tomorrow with the DD includes Archey. He will feel the need to bring an SCO attorney (most likely Brandon Van Grack). I would suggest we either cancel the meeting or have it without Archey.

2018-02-12 17:09:10	[REDACTED]	anderson@[REDACTED]	Hi Trisha - Just wanted to check in to see who you wanted to participate in a few of the OCA requests coming in on UNET. Specifically: (1) Today - 2 pm call and 4:30 meeting with HPSCI minority; (2) Tues - McCabe Prep at LX2 and (3) Weds - McCabe interview with SSCI. Finally, FYI - Bill is currently scheduled to meet with SSCI on Thursday afternoon re the 01/18/2018 letter (I believe this is the Steele subsource). I will forward you that invite (it's on FBINet).

2016-08-01 21:27:29	moffa	laycock	Hi Steve. Are you talking about in terms of what the Russians or others are doing to target it or who is coordinating with the campaigns about briefings, etc?
2016-08-01 21:32:55	moffa	laycock	Special project is in [redacted] but I have the analytic part of it so I committed 4-5 IAs and an SIA. Pete is running point on the ops side (he is on his way to London right now in fact). I'm happy to take whatever you have and can help direct traffic since I seem to sit in the middle of a lot of it...
2016-08-23 20:12:44		laycock@	Have a minute regarding the option of stalling the trip to London.
2016-08-23 20:16:11		laycock	Call ASAP when you get back regarding this London Op. Thanks!
2016-08-24 11:27:54		laycock	LA should be on the ground in London for approx. one hour now. We have not heard anything, so I think we're good.
2016-08-24 16:31:29	laycock		anything from London?
2016-09-22 20:45:50		laycock	ALFA BANK; [redacted]
2016-09-28 13:51:25	laycock		FYI, in the 3x weekly sitrep that Moffa is putting together, one of the bullets indicatd 15 russian nationals filed for I visa to come to US to cover the elections. wanted to make sure you guys were aware of that but not sure where that info came from. i reported yesterday that one person had filed but did not know of the 14 others
2016-10-18 11:38:19		laycock	I got a lot done last night....was out by 8:40 or so. Spoke to Jon this am....his account was they our folks jumped on them immediately stating....the are not sharing with us.....and "this is not new, Russians have been doing this for as long as we can remember"....."this project is the abominable snowman".....and "we all thought this was going to go away on Sept. 30th." I'm bringing them in again at 9:15am to discuss. And, essentially tell them we need to put the negative feelings aside, and just work together on this op plan. All needs input, and discuss the pros and cons of what goes in there. Without flareups. I know the negativity was there, just don't know if they brought up old stuff to Jon. According to Jon, it was still there yesterday. I think a visit by you at some point would be warranted. maybe not the 9:15am today, but any other time of your choosing....or is you want the 9:15 am today, that's fine too.
2016-11-01 13:36:50		laycock@	Hey Steve, anything current on Russian's attempts to influence the upcoming Pres election that you can share? thx, Mike
2016-11-10 14:30:50	laycock	kable@	gotcha. hell they should be happy b/c of Trump. they were trying to push that all along
2016-12-19 21:47:01		laycock	I emailed you a chart on yellow last, it details how the Russians run influence campaigns, along with some current active measures they're undertaking here and in Europe. The chart is probably 3x10 feet, and may be of interest for your newfound efforts?
2017-01-04 12:31:31	boone	laycock	Please do a full scrub of all [redacted] to ensure we have all calls between Flynn and Kislyak over the last 12 months. [redacted] advised last night that there is coverage on Kislyak's [redacted] I asked how long the coverage has been up and whether it was simply a matter of WFO not reviewing [redacted]
2017-01-04 12:42:04		laycock	good morning. I stopped by [redacted] but could here you were w Jen. We are up on Kislyak's [redacted] We have [redacted] from 12/30 and will continue to monitor. 2017-01-11 19:32:57		laycock	Hey Steve - There was some discussion on Mon at the 8:30 about a TS/SCI version of Russian report. Is that something you could send to my yellow side. I'm not distributing it - just reading it.
2017-01-27 18:16:19		laycock	Steve, Jen said you might have located some \$ for our CHS payment of [redacted] Do you need anything from me in order to send the enhancement to NY?
2017-01-27 18:28:37	boone	laycock	at the next DAD \$ Board in which we decide the fiscal fate of the universe, i will raise the [redacted] backfill
2017-01-27 19:33:37		laycock	Get this they tried to cancel the call because they wanted to meet in person. Russians said they wish to meet because topic not appropriate for the phone. But flynn still wanted a call. The call has now been scheduled for 7pm
2017-01-27 20:13:30	laycock	boone	FYI the call is now at 7; apparently another call was made to try and cancel for in person meet to discuss something russians said was not appropriate for phone but F camp said had to be p hone
