I am not sorry for loving you , helping you taking care of you and believing in true love . I am love and we both know the truth ! Make excuses i have never hurt you or done you wrong . I'm loyal to you . Your deflections are to protect yourself from her . Sending you peace and i forgive you for all of it . You won't ever find someone who will love you like I do FOR YOU!
Pray your decisions make you happy

Not inviting anyone else- if you would like to that sounds great to me but I really am not just being a prick about timing. I have to meet up with my uncle around 9:30 or 10:00. He is coming in from FL and we have a mtg early morning, and I know he will want to spend time with me. Id love to get a drink close by or we can stay in and do whatever you like that doesn't have to consist of sexual intercourse. Just LMK so im not too disappointed.

I like you Hunter. A lot. I want to be a part of your life. You need me - whether you realize it or not.
I modified my schedule tomorrow morning to see you this evening, anticipating it would be a late one.
I cannot get together tomorrow.
I completely understand if you've booked yourself this evening, but if we are going to be friends, I need complete transparency with you.
I'm disappointed. I was looking forward to bonding.
